Please find below a communication from the EXAMINER in charge of this application.

Commissioner of Patents.

The reply filed on 7/16/02 is not in full compliance with 37 CFR 1.121 because of the following omission(s) or matter(s): there is a series of errors and compounded errors in following New Rule 37 CFR 1.121(c). The amendment of Paper No. 13 (deposit date 6/26/02) does not mark up the claims showing all the changes from the previous version of the claims. For example, in that amendment claim 1 should show, inter alia, underlines for "An L-arginine free." This is merely exemplary of non-compliance with 37 CFR 1.121(c). Furthermore, the amendment of Paper No. 14 (deposit date 7/24/02) appears to contain, for example, a third amendment of claim 1 but states that it is only twice amended. The marked-up version shows changes not from the claim version of the immediately preceding Paper No. 13 but earlier claim versions. All this amounts to a very confusing record. Applicant should cancel all claims and resubmit all intended changes as new claims. See 37 CFR 1.121(c) and 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication or earlier communications from the Examiner should be directed to Examiner Pak whose telephone number is (703) 308-4538. The Examiner, if given advance notice, can arrange to personally accept the fax and expedite the further handling of this case. The Examiner can normally be reached on Monday through Friday from 7:30 AM to 4 PM. The Examiner will be on extended leave from 11/11/02 to 11/15/02.
